

Bridge House Spa Menu

Welcome

At Twin Farms, we invite guests to set aside their daily lives and experience the many different forms of relaxation and well-being.

In that same spirit, the Bridge House Spa provides a haven designed to nourish body, mind, and spirit. Tucked under Twin Farm's own scenic covered bridge, our spa offers a selection of healing massages and pampering treatments for face and body.

Our experienced staff will personalize each treatment to attain your desired results. We use the French skincare line Biologique Recherche, widely acclaimed for its holistic approach.

In addition to the spa's two treatment rooms, we are pleased to offer many of our treatments in your Cottage or Suite. Please contact the spa for further details.

Our belief in environmental stewardship and personal well-being is part of our culture at Twin Farms. Protecting the precious natural settings that surround our property goes hand in hand with enhancing the quality of life for our guests and staff.

Mind & Body Well-being

Rejuvenating and Repairing Hair & Scalp Treatment

Warm Marula oil, enriched with botanicals & vitamins, and a protein rich Marula repair cream are massaged into the hair and scalp to balance and restore its vitality and shine. The invigorating scalp treatment, incorporating L-arginine, promotes hair growth and increases blood supply to the hair follicles, stimulating the roots to promote thicker and more vibrant looking hair, leaving it silky to the touch and lastingly protected. While your hair soaks in a warm anti-oxidant tea infused terry towel, enjoy a relaxing exfoliating and deeply hydrating hand treatment and a rapid renewal de-puffing anti-aging eye treatment. Excellent for all hair types. 60 Minutes \$275

Rapid Renewal Eye Treatment

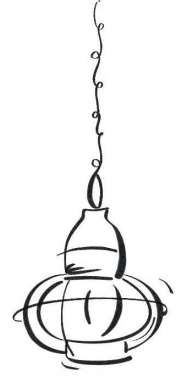

No more tired eyes, firming and de-puffing eye therapy. This rejuvenating and cooling eye mask treatment is designed with our specialized formula which works to diminish the signs of aging, dark circles and puffiness around the eyes. Enjoy a deeply hydrating hand and arm treatment while our powerful hydrogel eye compress penetrates the skin's surface. The perfect complement to any facial or massage. 30 Minutes \$145

Massages

Custom Massage

Enjoy a massage that is tailored to your personal preferences and specific needs. Your session begins with a consultation with your therapist to gain a better understanding of what you would like to accomplish from your massage and any issues you may be experiencing. With this knowledge, a customized massage will be created just for you. Your therapist may incorporate a combination of various massage modalities, stroke techniques, and pressures to best address your specific needs.

60 Minutes \$275/90 Minutes \$390

Himalayan Salt Stone Massage

Long renowned in the East for its healing properties, the Himalayan Salt Stone massage soothes away stress and tension and promotes an increased sense of well-being. When heated, the Himalayan salt stones give off negative ions that help restore the body's natural energy flow. Additionally, the minerals aid in drawing out toxins and provide a gentle exfoliation, leaving the skin soft and smooth. *Service only available in the spa.

60 Minutes \$275/ 90 Minutes \$390

Deep Tissue Massage

Treating the deepest layers of your muscles, this detoxifying focused massage releases the body from knots and accumulated tension promoting oxygen flow, improving range of motion and energizing your body.

60 Minutes \$275 / 90 Minutes \$390

Muscle Melt Massage

Recover from the day's activities, stiffness from travel, or minor injuries with this focused massage featuring potent, arnica-infused products. A soothing application of a hydrating arnica body balm and steaming towels further enhances this treatment's effectiveness.
